Over the past 20 years Shea has choreographed talents for many women competing in the Miss America Pageant system in the areas of tap, jazz, ballet, lyrical, modern, baton, pointe, clogging, Irish step dance, acrobatics and musical staging for vocalists and musicians.

Shea has first hand knowledge of the Miss America system having been a contestant. At the age of 18 she was crowned Miss OCU during her freshman year . She was a top 10 finalist and prelim talent winner at Miss OK. The next year Shea competed at Miss OK and was a prelim talent winner and first runner-up to Shawntel Smith, who became Miss America.
